SOMNIA AURA SPA

Body Treatments

3 Riducella

La Riducella is a treatment made with pure and natural patented ingredients, created more than 50 years ago by the doctor Gustav Glatt, quickly eliminates toxins without using toxic substances. Ideal for summer, it deeply drains the entire body, reduces swelling, improves blood circulation, excellent for counteracting menopause. It involves an application of mud all over the body, followed by bandaging and the relative exposure time.

You can lose body circumference from the first session, obtaining multiple benefits:

- elimination of excess toxins
- lymphatic drainage
- skin toning, lifting effect
- body remodeling in the places where the body needs it most.
- anti-stress action

It is ideal for:

- Microcirculation problems
- menopause
- blemishes, swelling

60 min. € 90,00

Face Treatments

1 Face cleaning

It is the basic treatment for removing impurities, dead cells and blackheads (comedones) and prepares the skin for subsequent more specific treatments.

Procedure in detail:

Accurate cleansing and exfoliation of the skin, application of hot ozonated steam to facilitate manual extraction of comedones, soothing toning followed by a relaxing reactivating massage and finally application of the mask and cream best suited to your skin type.

60 min. € 50,00

2 Ancient ritual of Venus

Facial treatment with a soothing and relaxing effect, dedicated to the goddess of beauty.

A ritual to reawaken the beauty of the skin, ideal after the wellness program.

A mix of selected ingredients with a soothing and rebalancing effect, accompanied by draining and detoxifying maneuvers, for a relaxing and regenerating effect.

It makes the effects of the wellness program even more effective and long-lasting.

50 min. € 80,00

30 min. € 50,00

SOMNIA AURA SPA

Face Treatments
